

GROCERY SHIPPING

Seamless Grocery Delivery Solutions You Can Count On

At Estes, we take the guesswork out of [grocery shipping](#) by leveraging the capacity of our robust nationwide network and over 90 years of industry expertise to ensure your grocery shipments are delivered on time and as promised.

As the nation's [largest privately held freight carrier](#), Estes offers:

- » Over 300 North American terminals and 10,600 trucks to get your grocery freight where it needs to go, when it needs to get there
- » More than 7,000 next-day lanes to ensure your short-haul grocery shipments arrive on time
- » A proven track record of meeting appointment times so you can replenish inventory quickly, avoid chargebacks, and maintain compliance
- » Preferred carrier status with leading grocery consignees, ensuring your freight is prioritized and tight delivery windows are met
- » The option to drop trailers at select grocery locations for a streamlined receiving process and minimal handling

And we make it easy to track your grocery freight with real-time [status updates](#) from pickup request through delivery!

Looking for additional peace of mind with your grocery shipments? We also offer our best-in-class [Time Critical Guaranteed](#) service to help you meet strict Must Arrive by Date (MABD) delivery requirements while avoiding chargeback fees and other financial penalties.
